

**Bug\_ID : TC\_008****Title:** Checkout process completes without having items in the cart**Module:** Checkout Process**Environment :** Web([Saucedemo.com](https://saucedemo.com)), Chrome(Ubuntu)**Severity:** Critical**Priority:** High**Precondition**

- User is on the checkout(step two)page
- User must have 0 items in the cart

**Steps to Reproduce**

1. Go to Homepage
2. Click on Cart
3. Click on checkout
4. Add Details( First Name, Last Name and zip code)
5. Click Continue
6. Click Finish

**Expected Result**

- User should not be able to place order without items in the cart

**Actual Result**

- User is able to place order without items in the cart

**Attachment:**

The screenshot shows the 'Checkout: Overview' page from the Saucedemo website. At the top, there is a header with the text 'Checkout: Overview'. Below the header, there is a table with two columns: 'QTY' and 'Description'. There are no rows in the table. Underneath the table, there are three sections: 'Payment Information:', 'Shipping Information:', and 'Price Total'. The 'Payment Information:' section contains the text 'SauceCard #31337'. The 'Shipping Information:' section contains the text 'Free Pony Express Delivery!'. The 'Price Total' section contains the text 'Item total: \$0' and 'Tax: \$0.00', followed by a bolded 'Total: \$0.00'. At the bottom of the page, there are two buttons: a white 'Cancel' button on the left and a green 'Finish' button on the right.

Checkout: Complete!

**Thank you for your order!**

Your order has been dispatched, and will arrive just as fast as the  
pony can get there!
